Notices

Covid Precautions

Following the recent change to the Covid-19 Protection Framework, masks are no longer required in church though you are strongly encouraged to continue to wear them. Please continue to use the sanitiser on entering and leaving. Spaced seating is now not required, but please be considerate of others' need to have space around them. Likewise in greeting one another at the Peace, please take a cue from others and respect their wishes. We can now have Communion in both kinds, the wine and the wafers. However parishioners may still prefer not to share the common cup and to take Communion in one kind only. As Bishop Steven has reassured us, you still receive Communion in full if you take only one kind. Most important, don't come to church if you are at all unwell. By taking careful steps forward, we protect ourselves, our families, and those around us who are especially vulnerable.
