PRAYERS

The Wider Church

New Zealand and our partners, including volunteers and supporters. We give thanks for Mission Motivators, Stamp Volunteers, and mail out volunteers.

In the Community

We pray for people, governments and health services throughout the world and especially in Fiji as we cope with the COVID-19 pandemic. We pray for equitable and efficient distribution of COVID vaccines.

We give thanks for the fun and joy had at Playgroup this term and we pray for playgroup families.

We pray for safe and happy times for children and whanau during the school holidays and for good learning as University students return for Semester 2.

We pray for safety on roads, in the air and at sea and for safety for those whose work is made more difficult in winter conditions.

God of change and invention, be with those whose life is spent at sea. In storm, in calm, in harbour, be with them. Be with them in danger, boredom or temptation; for you are God, you are our hope and strength.

We give thanks for God's gift of healing and pray that all who are unwell will know a special measure of God's love, peace and hope. We pray especially for protection for babies and infants from RSV. May God give peace of heart and mind to them, their families and all who love them and wisdom to their medical teams
