PRAYERS

The Wider Church

We pray for education in Tanzania, including New Zealanders who are serving in the schools and Universities in Tanzania. We give thanks for the dedicated work of Mission Partners over the years, and pray that short-term volunteers can pick up again once Covid-19 restrictions are lifted.

In the Community

We pray for people, governments and health services throughout the world as we cope with the COVID-19 pandemic. We pray for equitable and efficient distribution of COVID vaccines.

We pray that despite COVID-19 concerns the Olympic Games will be a celebration of all that the diverse people of this world have in common.

We pray for good learning as the school term begins and for the Playgroup families as Playgroup begins this week.

We pray for safety on roads, in the air and at sea and for those whose work is made more difficult in winter conditions.

We give thanks for God`s gift of healing and pray that all who are unwell will know a special measure of God`s love, peace and hope. We pray especially for protection for babies and infants from RSV. May God give peace of heart and mind to them, their families and all who love them and wisdom to their medical teams.

In the Diocese

Our prayers this morning are for Oamaru – Andrea McDougall (Vicar); We also remember the Anglican Youth Network – Lorna Grey and Diocesan Children, Youth and Families Educator – John Graveston, in our prayers.
