## **PRAYERS**

### **The Wider Church**

We pray for the Diocese of Polynesia's Water for All project. We give thanks for the installation of water tanks in Fiji communities; the generous donations from AAW and parishes across New Zealand which have carried out significant fundraising; the opportunity to improve people's lives and health by providing this basic need.

### **In the Community**

We pray for people, governments and health services throughout the world as we cope with the COVID-19 pandemic and for wise choices by people and governments everywhere.

We pray for equitable and efficient distribution of COVID vaccines.

We pray that those who are seeking warm homes will find them.

We pray for wisdom for City Council district planners and for resources and skilled workers for the building industry.

We pray for wisdom for those making decisions about water management in this country.

We pray for safety on roads, in the air and at sea and for safety for those whose work is made more difficult in winter conditions.

We give thanks for God's gift of healing and pray that all who are unwell will know a special measure of God's love, peace and hope. May God give peace of heart and mind to them, their families and all who love them and wisdom to their medical teams.

### **In the Diocese**

Our prayers this morning are for the Parish of Balclutha – Brett Roberts (Vicar) and the Parish of Balfour – Helena Morton (Ministry Leader). We also pray for St John's Theological College.

### **From the Parish Roll**
