Re-interment of Ashes. The first part of preparing for the closure of St Nicholas' in Waverley has been consideration of what should happen to the ashes interred in the columbarium. Over the past year, we have been in consultation with next of kin of those whose ashes are interred. Some of the ashes will be re-interred at the Garden of Remembrance at St Paul's Anglican Cathedral in Dunedin. A service of re-interment will be held at the Cathedral, on the 8th of July at 1.30 pm. All are welcome. For further information, please talk to one of the wardens.

Volunteer Week: Our heartfelt thanks to all who volunteer their time and talents so generously to keep the Parish running. Without you we wouldn't be able to function. So to all the worship leaders, lawn mowers, cleaners, flower arrangers, communicators, pastoral carers, pray-ers, social-justice motivators, food-bank deliverers, roster arrangers, readers, reader co-ordinators, bill-payers, missions folk, morning-tea providers, launderers, playgroup supervisors, fixers, music-makers, Vestry and committee members, and the others who we don't always know about, but just get on with helping out, THANK-YOU!

PRAYERS

The Wider Church

We pray for the Province of Central Africa and the Province of Uganda. We give thanks for the vitality of the Church and its witness in times of hardship. We also give thanks for the companion relationship between the Diocese of Dunedin and the Diocese of Eastern Zambia and remembering the inspiring life of Bishop John Osmers.

In the Community

We pray for people, governments and health services throughout the world as we cope with the COVID-19 pandemic and for wise choices by people and governments everywhere

We give thanks for the skills of scientists and production teams who have developed COVID vaccines. We pray for equitable and efficient distribution of these vaccines.

We pray that those who are seeking warm homes will find them. We pray for safety on roads, in the air and at sea.

As we give thanks for the information services available in this country we pray for honesty and integrity for all who report and publish news. We pray also for journalists and the people of countries where press freedom is threatened or already extinguished.

We pray for the provision of good mental health services in this country, for those who staff these services and for their clients.

We give thanks for God's gift of healing and pray that all who are unwell will know a special measure of God's love, peace and hope. May God give peace of heart and mind to them, their families and all who love them and wisdom to their medical teams.
